MyAusVisa

POLICE CERTIFICATES / PRIVATE PREPARATION

Match the actual request

A private planning aid, not a police certificate, government form or universal attachment list. Keep completed records on your own device. Do not send identity or criminal-history records to MyAusVisa.

01 / INSTRUCTIONS

Start with your visa and document request

Visa subclass and stream

Applicant or family member

Exact instruction, request date and response deadline

02 / HISTORY

List the places and names to check

1. Country / jurisdiction and dates present

Names used / combined time / scope to clarify

2. Country / jurisdiction and dates present

Names used / combined time / scope to clarify

3. Country / jurisdiction and dates present

Names used / combined time / scope to clarify

REPEAT THIS PAGE FOR EACH REQUESTED COUNTRY

Confirm the issuing route

Use the current Home Affairs country instructions and the issuing authority. Requirements can depend on citizenship, residence and the certificate type. Fingerprints or appointments are only relevant when required.

03 / ISSUER

Record the service and its instructions

Requested country and certificate type

Official issuing service / URL / date checked

Citizenship and current residence route

Names and address periods covered / questions to clarify

Application method / identity evidence / payment instructions

Fingerprint form or appointment, if required

Originals required and return arrangements

Issuer contact / reference / unanswered questions

Track delivery and follow-up

04 / PROGRESS

Keep the request and response together

Country / applicant / issuer reference

Submission or dispatch date / tracking reference

Expected date quoted by issuer (not a guarantee)

Home Affairs deadline / next follow-up date

If delayed or unavailable: question and response / next action

Certificate received: issue date / names and scope checked

Translation or other document instructions to resolve

An issuer delay does not itself extend a Home Affairs deadline. Follow your actual request and retain the response. This record does not decide whether a certificate is required, acceptable or sufficient.
